

Investor and Industry Portal for "Investing in India" Expands Global Content with News and Article Submissions

IndiaStockMarket.com, a global investor website for investing in India, announces a new service for public and private companies to submit press releases to online visitors following developments in India

Point Roberts, Wa, IND, 2006-04-29 01:56:10 (IndiaPRwire.com)

POINT ROBERTS, Wash., Delta, B.C. - April 28, 2006 - <http://www.IndiaStockMarket.com>, a global investor website for investing in India, announces a new service for public and private companies to submit press releases to online visitors following developments in India. In addition, IndiaStockMarket.com has added a new feature for freelance journalists and industry experts to contribute industry related articles. The site currently features audio interviews, stock directories, audio conferences, investing blogs, RSS feeds and links.

With India's \$700-billion economy predicted to show growth above 7% this year, investing in India is gaining global interest. IndiaStockMarket.com, as a news aggregator and content originator, provides investors a 'one-stop shopping' destination for researching the sector.
