

## Genius Unveils Navigator 335 Carbon Laser Gaming Mouse

*A pro-gaming mouse and the best work partner*

New Delhi, Delhi, IND, 2007-02-20 15:00:00 (IndiaPRwire.com)

Taiwan based Genius, one of the leading IT and Consumer Electronics brand across the globe, today, announced the unveiling of its much awaited innovation and highly acclaimed gaming mouse for Professionals, Genius Navigator 335, an exclusive eye-catching carbon mouse in India.

**Genius Navigator 335** is the most advanced and high-level gaming mouse for professionals and is the latest member of the growing family of Genius gaming devices. With its inimitable modish carbon fiber cover that is scratch-resistant and advanced laser technology, this particular mouse works reliably on most types of surfaces and offers much higher tracking power than regular optical mice.

The most revolutionary function of Genius Navigator 335 is that, one can switch the resolution of Navigator 335 to 1600 or 800 dpi with the LED hot key (no driver needed) while you are playing games. It also provides a programmable gaming turbo button. With the turbo function, one can allot the button as any keyboard hot key and perform repeat or toggle actions in all types of action games be it shooting, fighting, flying or racing. It is a marvelous piece of art work for its mode and features. One can use this mouse working or playing games just about anywhere with equal subtleness. Moreover, the carbon design definitely lets you travel in an implausible style.

**Key features:** Laser gaming mouse with unique carbon cover  
Fast keys to switch DPI(1600 and 800 dpi) and start gaming turbo functions  
Advanced 1600 dpi laser sensor  
Mini design is great for Notebook users (L10.1 x W5.6 x H3.6 cm)

Mr. Sandeep Ramani, Country Manager, KYE Systems (India) Corp. says, 'Genius Navigator 335 is the most celebrated mouse in its category and is powered to give the best results to the power users. It's a must for all the Professional Gaming enthusiasts, in case they are looking for an out-of-world experience; giving you the feeling similar to driving a Ferrari, Porsche or a Bugatti on a high way.'

**Pricing and availability:** The price for Genius Navigator 335 is Rs.1,850 (Maximum Retail Price). And, all the Genius products are available with Transtek Infoways Pvt. Ltd., and Tirupati Enterprises, the authorised distributors for Genius in India.

**- END -**
