Mumbai, Maharashtra, IND, 2007-03-13 15:12:49 (IndiaPRwire.com)

Nightingale of Srinivas Fine Arts recently announced the release of their exquisite designer Eco Book and Six Subject Note book. The Eco book promotes conservation of environment and propagates about the ill hazards of environmental pollution. The book provides solutions to various environmental issues and ways to implement conservation concepts. This book is a perfect guide for all the environment conscious people who wish to make environmental revolutions. The six subject stylish notebook of Nightingale is a solution for the youth who are looking for something matchless and different. Both the products hold lot of promises for everyone.

### **Eco Book**

The Eco Book talks on the concepts that forms the base for all environmental issues world wide and provides an insight on the enormous challenges that we face from it today. Propagating serious hazards of environmental pollution the book creates awareness that instead of waiting for environmental treaties from the government or the international community, how individuals can put in to practice their own initiatives to protect the environment.

The book throws light on why harmony with nature is necessary and acts as a perfect guide for environmentally responsible citizens who wish to change their surroundings. The Eco Book is a reservoir to spring newer ways of thinking. **Priced At Rs.185**

### **Six Subject Note Book**

The six subject book is boon for college students who are tired of the usual mass-produced, drab, vinyl-covered ring binders and are looking for elegant and smart note book which would shed their burden of carrying load every day. The solid construction method & Creative Design of the cover page is an eye catching and reflects the artistic authenticity. The high quality papers used makes it a perfect companion for all seasons. The sturdy spiral book is divided in to six parts and provides ample space to jot notes of six different subjects. The spiral notebooks are specially fastened with perforated pages that keep other pages of the book intact when an important page is ripped.

The feel good factor of the elegant six subject ruled notebook's is its wrapper and inner pages that are designed with great artistic austerity. **The book is priced at Rs.195.**
