

RS Software appoints Vice President (Marketing) and expands its markets to Canada

Diana Adachi to extend business in the Canadian region

Mumbai, Maharashtra, IND, 2007-03-13 15:54:05 (IndiaPRwire.com)

RS Software (India) Ltd. (NSE: "RS Software", BSE: 517447), a leading solutions provider in the Electronic Payment Industry, has announced the appointment of Diana Adachi as Vice President (Marketing) for the company and head of the company's Canadian office. Ms. Adachi is based in Toronto.

As an innovations executive, Ms Adachi sales and marketing career spans over twenty years. Large enterprises such as IBM, Intel, Bell Canada, Bank of Montreal and small technology based start ups have profited from her leadership. She has launched many businesses in both small and large enterprises, including an e-payments platform for Bank of Montreal. Ms Adachi has served as the Canadian GM for Cybersource, a leader in credit card payment solutions

Speaking on her appointment, Mr Raj Jain, VCMD of RS Software, said 'Diana brings to RS her professional skills in marketing and sales to large enterprises that will not only expand the company's reach in North America, but also extend our sales footprint into Canada.'

- END -About RS Software Limited

RS Software (India) Ltd. is a global leader in providing solutions to the Electronic Payments industry. Besides being engaged with the world's leading Payment Networks in US and UK, and leading acquiring processors in the US, the company has emerged as the first full services provider in the Electronic Payments space, offering Consulting, Enterprise Applications Integration, Applications Management, and Outsourcing.
