Welcome back to your coffee fix for the week. This Sunday meet one of the finest actors this generation has seen; she is all heart and her performances are all soul; she began her career in mainstream cinema and then made a wonderful name for herself in alternative cinema; the very talented Tabu. Karan's second guest is an Indian whom we are all proud of, the international celebrated filmmaker and the big name behind Namesake … Mira Nair. Also joining them is the renowned choreographer and the director of a super-hit Bollywood film... Farah Khan. Don't miss this exciting tête-à-tête this Sunday, March 18th at 9 p.m. on 'Koffee with Karan' only on Star One and Star World.

Tabu who was rather apprehensive to come on Karan's show admits, 'You make us commit a lot of things which I don't want to.' She talks about her journey in the film industry since 18 years, some of the regrets in her personal life and also confesses on the show that she has a low self-esteem. In spite of being a part of the internationally acclaimed film Namesake, Tabu shares that it's very clear in her head that she has no Hollywood aspiration. She also speaks about the special relationship she shares with Nagarjuna and the fact that nothing can ever change or alter the relation with him. Mira feels that the success of her film Namesake is largely due to her wonderful cast, she shares some of the beautiful moments while making the film and what's her take on being put in the same bracket as Gurinder Chadha and Deepa Mehta.

And just when the masala packed rapid fire is about to commence, the controversial rapid-fire queen of last season, Farah Khan makes an entry. According to Tabu, which actor needs to hit the gym? If Mira was mistaken for Deepa Mehta what would she say? Saroj Khan, Ganesh Hegde or Shiamak Davar, who according to Farah is the best choreographer? Mira Nair's next or Farah Khan next, what does Tabu chose? Wait and watch!

Excerpts from the interview:

Karan: You have been in this industry for how long Tabu?

Tabu: 18 or 19 years

Karan: Any regrets ?

Tabu: Lots .. but it will really take a while if I start discussing it ..

Karan: Professionally or personally

Tabu: Ahh ...personally more I think .. but, actually having said that I wouldn't look at them as regrets .. and more as a learning experience .. but, I wish I hadn't met a few people I had met .. which I would not want to name ...

Karan: So, are you seeing anyone Tabu?

Tabu: I am not

Karan: But are you totally single .. with all these alleged rumors of men who live in the southern party of the country .. not true ?

Tabu: It's a very big territory .. you have to tell me

Karan: Oh so you want me to tell Tamil Nadu, Karnataka .. you want me to be that specific
Tabu: Ya .. see I have done films in many languages .. so you need to be specific about the language

Karan: So, we don't seem to getting anywhere

Tabu: So, what were you asking about Nagarjuna

Karan: I didn't even say Nagarjuna

Tabu: Because it is the only rumor, which is constant in my life, since I am 16 year old

Karan: You moved to Hyderabad

Tabu: Not because of him, because I have made a house for myself there and because I belong to Hyderabad.. I think this Nagarjuna thing is very old. It keeps coming back… that's why I always wonder .. it feels like the media wants to give this impression that whether I have boy friends or not, boy friends come, boy friends go, but Nagarjuna remains. so it's really funny .. I don't know what to say but, he is one of the closest people in my life, he is one of the most important relationships I have and my relationship with him is very dear to me and also nothing can ever change or alter my relation with him and that I don't have any label for it. I can't do anything about it.

Karan: You can call it a friendship

Tabu: I think friendship is the most abused word

Karan: So, we will just keep it to that

Karan: You have made such a beautiful film ..

Mira: Firstly .. Jhumpa ..the mother of the film .. the mother of the book and then this extra ordinary cast .. from Irfan and Tabu ...

Karan: Do you some times feel that, you know .. you make these international films .. but you are not doing anything for India? Do you ever feel the need to come back and do a full Hindi picture ?

Mira: You know, my theory is .. I don't do anything that any one else does better than me ..laughs .. and you do it better than me .. So, I mean I am not here to imitate..

So, join Karan in a stimulating tête-à-tête with the three super achievers only on Koffee with Karan, this Sunday, March 18th at 9 p.m. on Star One and Star World
