

## HBO brews up a treat this April

*Featuring the Indian TV premiere of Bewitched, House of Wax and many more*

New Delhi, Delhi, IND, 2007-03-30 10:29:43 (IndiaPRwire.com)

HBO, the world's greatest movie channel presents a bagful of superhit films this April. Book a front row seat and tune in for your daily dose of action, comedy, drama and emotion together with the most awaited premiere in HBO Blockbuster of the Month, new movies every Saturday on HBO Saturday Nights and enjoy hard core action on HBO Men of Power.

Let the magic begin! Nicole Kidman casts a spell on April 6 at 9 pm with Bewitched, the HBO Blockbuster of the Month. Egocentric actor Jack Wyatt (Will Ferrell) is trying to revive his failing career by acting in a remake of the successful TV series, "Bewitched". While casting for the film, he meets an acting novice, Isabel Bigelow (Nicole Kidman) and invites her to play the role of his wife and a witch. What he doesn't know is that Isabel is a real witch!

Meet HBO's Men of Power, every Tuesday night at 9 pm in action packed hits. Catch Peter Garrett (Chris O'Donnell) and his sister Annie (Robin Tunney), the young spirited climbers coping with the world's second highest peak K 2 in Vertical Limit on April 3. Witness a catastrophic war between the Men and Elves in The Lord of the Rings: Return of the King on April 10. Watch Marshall John Kruger (Arnold Schwarzenegger) save the day in Eraser on April 17. Two entirely unknown people become each other's rescuer in a strange quirk of fate in Nowhere to Run on April 24.

Stay home every Saturday night in April and enjoy brand new movies at 9 pm on HBO Saturday Nights. Helena (Stephanie Leonidas) wants to escape her monotonous life in the family circus. She becomes a part of a parallel dream world where she meets people who resemble those she encounters in real life. She decides to fight against the evil forces and retrieve the mirror mask in Mirror Mask on April 7.

Paris Hilton makes her big movie debut in House of Wax on April 14. Six college friends enter a wax house, after their car breaks down. They are initially smitten by the house until they discover its killing instinct and want to get out of it. On April 21, meet The Z Boys - a group of brilliant young skateboarders in the 70s. Watch their journey from streets of Dogtown to becoming legends in their own rights in Lords Of Dogtown. Watch the story of Bobby Jones as he rises from obscurity becoming a golfing legend of America in Bobby Jones Stroke of Genius on April 28.

Enjoy blockbuster hits every Friday at 9 pm in HBO Friday Blockbusters with The Phantom on April 13, Scooby Doo: Monsters Unleashed on April 20, Resident Evil: Apocalypse on April 27. It's a date with the stars every Sunday night with HBO Sunday Super Hits at 8 pm. Catch Sylvester Stallone in Daylight on April 1, Halle Berry in Catwoman on April 8, Tommy Lee Jones in Double Jeopardy on April 15, Tom Hanks and Meg Ryan in You've Got Mail on April 22 and Vin Diesel in A Man Apart on April 29.

**- END -**

### **About HBO**

HBO brings the best of Hollywood by premiering the top blockbuster movies on television first in South Asia through exclusive licensing deals with four major Hollywood studios - Paramount, Sony Pictures Entertainment (Columbia/ TriStar), Universal and Warner Bros.

Prime time viewing on HBO includes HBO Blockbuster Of The Month, a special television event that premieres a mega blockbuster movie every month, HBO Saturday Nights, which premieres a new box office hit each week throughout the year; HBO Sunday Super Hits, which showcases the blockbuster hits, star-studded hits, favourite genre hits, Asian hits, highly acclaimed hits and so much more. In addition, HBO features at least 3- 4 new movie showcases every month to offer viewers an interesting mix of Hollywood movies based on exciting themes.
