Aamir Dalvi, who plays the main lead Rajeev in the Star One serial Saathii Re, looks extra sweet and decent on screen and also claim to be an introvert in real life. Maybe that's why not many are aware that he has a naughty side too.

Recently new entrant (in Saathii Re) Monalika Bhosle who is all set to play the other woman Zehnaab in Aamir' s life on screen, bore the brunt of this not very exposed side of the actor..

Unluckily for Monalika, on the first day of the shoot, she was not carrying the identification card which is needed for entry into the studio they were shooting that day.

Prankster Aamir did not miss the opportunity and decided to pull a fast one on her. Informs Aamir, "I first confirmed with Monalika if she was carrying her card or not. When she disclosed she is not carrying it, I etched my plan. I told her that if the people from the association come by and find her without the card, she would meet with dire consequences"

To make matters worse for her and the situation more authentic, Aamir even planted a hefty person from the production team as a member belonging to the association who had come to check on the cards.

"That man confronted Monalika for the card and when she could not produce it, he asked her to pay a fine of Rs. 50000", reveals Aamir.

That was the breakdown moment for her. She was nearly on the verge of tears when Aamir confessed to her that it was just a prank and that they had played it on her since she was a new entrant. It was only then that she was pacified. Now watching the sweet natured Rajeev turning into such a naughty guy is one big in revelation in itself. Monalika would agree to the same more than any one else!!
