*SAIPL deals in all brands and all models of Laptops*

Bangalore, Karnataka, IND, 2007-08-10 14:54:34 (IndiaPRwire.com)

SAIPL, the owner of India's No.1 online PC & Laptop Shops; and SwamiPC brand, has become Wipro's Associate to sell Wipro brand of laptops in India.

This association will boost SAIPL's effort to dominate the laptop market and to provide customers a wide variety of Laptops under one roof, said Swami Ajayanand, Director, SAIPL in a release issued to the press.

Swami Ajayanand has made a point that, SAIPL is the only company in India to sell all brands of Laptops online to end users at best value price. He stressed that inclusion of Wipro Laptops in catalog will provide customers a wide range of choice at various price levels and configurations to suit their requirements.

SAIPL, through its online shop [www.SwamiLaptops.in](http://www.SwamiLaptops.in), is offering Wipro Laptops at most attractive price. SAIPL also offers a very flexible finance schemes for purchasing laptops on easy EMI which involves low down payment, maximum tenure and low installments. This is in line with our dedicated effort to facilitate those first time customers who are otherwise left behind due to lack of finance and provide the most cost effective IT products to Indian customers, Swami further added.

SAIPL has been already offering all the major international brands Sony, Toshiba, HP, Lenovo, Apple, Sahara, and Acer. With inclusion of Wipro SAIPL has ventured into selling the domestic brands also.
