

SAIPL Added HCL Laptops in its catalog

SwamiLaptops deals in all brands and all models of laptops available in India. And, for desktop PC the company is having its own brands "SwamiPC" which deals in standard products as well as customized PC as per the customers' requirements.

Bangalore, Karnataka, IND, 2007-08-17 18:56:01 (IndiaPRwire.com)

SAIPL, the owner of India's No.1 online PC & Laptop Shops; www.SwamiPC.in, www.SwamiLaptops.in and SwamiPC brand, has added HCL Laptops in its catalog.

The addition of HCL in catalog will boost SAIPL's effort to dominate the laptop market and to provide customers a wide variety of Laptops under one roof, said Swami Ajayanand, Director, SAIPL in a release issued to the press.

Swami Ajayanand has made a point that, SAIPL is the only company in India to sell all brands of Laptops online to end users at best value price. He stressed that inclusion of HCL Laptops in catalog will provide customers a wide range of choices at various price levels and configurations to suit their requirements.

Addition of HCL is in line of SAIPL's mission to bring together all International as well as Indian brand together in on eplace to provide customers a wide range of choices. HCL is the 2nd Indian brand to be added in SAIPL's kitty after Wipro.

SAIPL, through its online shop www.SwamiLaptops.in, is offering HCL Laptops at most attractive price. SAIPL also offers a very flexible finance schemes for purchasing laptops on easy EMI which involves low down payment, maximum tenure and low installments. This is in line with our dedicated effort to facilitate those first time customers who are otherwise left behind due to lack of finance and provide the most cost effective IT products to Indian customers, Swami further added.

SAIPL has been already offering all the major international brands Sony, Toshiba, HP, Lenovo, Apple, SAHARA, Acer, and Wipro.

- END -
