

CashTech in final shortlist of 200 innovative companies

Red Herring to soon release the top 100 innovative technology companies in Asia

Pune, Maharashtra, IND, 2007-08-24 15:54:21 (IndiaPRwire.com)

Red Herring, Inc., founded in 1993, is a media company whose mission is to cover innovation, technology, financing and entrepreneurial activity. They report on how the world of innovation and entrepreneurship are transforming business and how the business of technology is transforming the world.

Every year they release a list of top 100 innovative technology companies in Asia.

CashTech has made it to the final shortlist of 200 innovative companies (out of around 900 entries), of which the Top 100 companies will be announced.

The Red Herring editorial team selected the finalists based on criteria such as innovative strategies, overall expertise, disruptive influences on technology, and a passion for the industry. The finalists are based across 16 countries/regions including China, India, Malaysia, Japan, Singapore, Korea, and Vietnam.
