Mumbai, Maharashtra, IND, 2007-09-12 08:00:00 (IndiaPRwire.com)

Robin Anson, editorial director of Textiles Intelligence, has been invited to speak at the International Apparel Federation's 23rd World Apparel Convention on October 24-26, 2007, in Taipei, Taiwan. He will be making a presentation on global trade and production capacity expansion during the session on Capacity Growth vs Profitability, on Friday, October 26th and will be available for short consultancy meetings with delegates during the convention.

The theme of this year's IAF conference is 'Asia: An Emerging Consumer Market from a Global Production Base' and it will be held at the Taipei International Convention Center, 1 Hsin-yi Road, Sect 5, Taipei, Taiwan. Also on October 24-26, 2007, visitors will be able to visit TITAS 2007 (Taipei Innovative Textile Application Show) which will be held at the Taipei World Trade Center Exhibition, close to the conference venue.

Robin Anson is recognised as a leading worldwide authority on textile and clothing industry strategy and trade issues, and is also the editorial director of Textiles Intelligence, one of the world's leading providers of global business information on the international textile and apparel industries.

- END -
