

Indyarocks.com introduces "Social Money"

Now you can earn money for socializing online

Hyderabad, Andhra Pradesh, IND, 2007-09-20 11:02:14 (IndiaPRwire.com)

India's premier Mobile and Online social networking portal Indyarocks.com based in Hyderabad marks a new chapter in the Indian social networking scene by launching '**Social Money**' program.

'Social Money' program is a form of revenue share with the users. Users of Indyarocks will earn money when they use the free SMS feature and also when they upload or watch videos. The Social money program is aimed to increase the mobile usage and also to encourage user generated content on the site. This program will be supported through text ads that will appear in the SMS and Videos.

'Our Social Money program is unique and non-intrusive.' says Kalyan Manyam, Head of India operations. He adds, in order to earn money, Indyarocks users are not required to do anything new or force themselves into getting unwanted messages. The users will continue to do what they have been doing all this while i.e. interact and share with their friends and family in a safe and secure environment.'

Dr. Vishnu, Head of Strategy said 'Our vision is to continuously innovate, enhance user experience and find ways to reward our users for the great buzz they create at Indyarocks. From now on, all the members of Indyarocks will earn money whenever they use the 'FREE SMS Scraps' or 'upload/view Videos' at Indyarocks.'

With advanced privacy settings that allows users to have complete control over their profile and media, Indyarocks is fast becoming one of the most desirable and secure online social environment for Indians across the globe.

Indyarocks.com is a completely user driven portal which enables user interaction and media sharing through both mobile and online medium.
