Pune, Maharashtra, IND, 2008-02-08 13:56:42 (IndiaPRwire.com)

City based Varma Pharmacy have launched an herbal formulation 'CARDIOGEN', having cholesterol lowering and stress relieving properties, using combination of time tested herbs that protect & improve functioning of cardiovascular system.

Speaking on the occasion Mr. Dnyanaprakash Varma said that nowadays due to stressful modern lifestyle & changed dietary habits; number of heart patients is rising steeply. Further, percentage of youngsters among heart patients is also on rise. The root cause of various heart related problems can be categorised as High cholesterol (LDL, VLDL) & triglycerides levels and Mental Stress. Keeping this in the mind we have developed Cardiogen tablets.

He added that, Cardiogen would be useful for patients suffering from heart problems as a medicine & cardiovascular protective tonic. It could be used before & after angioplasty / bypass surgery with same effects. Further, Cardiogen can be used as preventive measure by persons who work under stressful environment, have low fiber, high fat, and sugar containing diet, have family background of heart disease, have diabetes, have excess weight etc.

He added that key ingredients of Cardiogen Tablets, which include Arjuna, Garlic, Pure Guggul, Pure Shilajith, Bramhi, Ashwagandha, Sarp Gandha, Gokharu, Punarnava, and Suntha, Miri, Pimpli., which have properties to,

Protect and improve functioning of heart & blood circulation system, Improve cardiac muscle strength, Relieve mental stress, improve functioning of nervous system, and had anti oxidant properties. It could also restore the imbalance of 'Tridosha' improving digestion & lipid metabolism (**meda dhatu**), acting as lipid regulator apart from Purifying and Improving functioning of urinary tract & liver, Mr. Varma added.

He added that Cardiogen Tablet, a 100% herbal formulation, does not have any side effects, if taken as per prescribed dosage and are safe for long term use.
