Chennai, Tamil Nadu, IND, 2008-02-12 13:32:08 (IndiaPRwire.com)

Dr. Agarwal's Eye Hospital, Pioneers in eye care, launched its new eye care hospital at Tiruvallur to serve more than 3 million population in and around Tiruvallur district. It was inaugurated by **Thiru. E.A.P. Shivaji, M.L.A in presence of Tiruvallur district secretary, Thiru. A. Krishnaswamy, Member of the Parliament- Sriperumbudur, Thiru. Pon. Pandian, Municipal Chairman, Tiruvallur** were present as guest of honour for the occasion.

Dr. Agarwal's Eye Hospital is equipped with state of the art facilities and latest technology aimed to provide complete eye care in a patient friendly environment. The hospital aims to improve the accessibility and affordability for quality eye care services in Tiruvallur district.

This new hospital is a secondary eye care hospital with facilities to treat diseases like Glaucoma, Retinal and Macular degeneration, Squint etc., apart from Cataract and Refractive Error. The hospital also has facilities like pharmacy and opticals that offers wide range of frames and lenses of high quality and leading brands.

**Dr. Amar Agarwal, Joint Managing Director, Dr. Agarwal's Eye Hospital** said, 'At Dr. Agarwal's Eye Hospital, we strive to go beyond our limits to provide the best eye care service to our patients with our technical expertise and quality service. The facility includes hi-end advanced diagnostic and treatment equipments like - latest Ziess Operational Microscope, Laser equipments, Fundus Flourence Angiography (FFA) and Phaco equipments (latest Cataract surgery). We have invested approximately Rs.4 Cr.s to give the people a world-class facility in Tiruvallur'.

**Thiru. E. A. P. Shivaji, M.L.A. (Tiruvallur district secretary)**, says, 'Dr. Agarwal's Eye Hospital has more than 50 years of expertise in the field of eye care. And, I am pleased to be a part of their expansion into Tiruvallur. More than 30 lakh people from Tiruvallur district are to be benefited from this centre.'

**Thiru. A. Krishnaswamy, Member of the Parliament**, says 'Today is a very eventful day as the people of Tiruvallur are able to access the world class eye care services at their neighbourhood.'

**Thiru. Pon. Pandian, Municipal Chairman, Tiruvallur**, says, 'Eye care is an essential part of health for all and Dr. Agarwal's Eye Hospital is a well-known eye care centre which not only provides services at the neighbourhood but also conducts free eye screening camps and cataract surgery for the needy people. We are very grateful that they have included Tiruvallur in their expansion plan.'

**- END -**

**About Dr. Agarwal's Eye Hospital:**

Dr. Agarwal's Eye Hospital is a tertiary eye hospital; started in the year 1957. Now the Hospital has completed its 50 years of quality service in eye care with 10 branches in Chennai apart from leaving its footprints in Villupuram, Kumbakonam, Vellore, Kanchipuram and Jaipur. The organization has received various awards for its inventions and services. In March 2006, Chairman Dr. J Agarwal was awarded Padma Bhushan for his dedicated service to the poor and needy. The hospital is noted on the global platform for its invention Micro-Phakonit (0.7 mm Cataract surgery) by Dr. Amar Agarwal.
