

CEO IXIA Atul Bhatnagar Proud to be a BITSian from Pilani Rajasthan

To be a leader in a company who is a Leader in IP Performance Testing, Atul strongly believes that leadership and learning are indispensable to each other.

Pilani, Rajasthan, IND, 2008-03-20 14:02:19 (IndiaPRwire.com)

With experience in the communications and computing industry spanning over two decades, Atul has been the Vice President of Products at DiVitas Networks a developer of enterprise network solutions that provide voice and data mobility over disparate networks. Prior to that Atul was the Vice President and General Manager of the Enterprise Data Network Division of Nortel making Business Simple by designing and marketing a full range of Ethernet switches Security solutions, WLAN Mobility solutions, Metro Ethernet Technologies, Enterprise routers, etc.

As Vice President of Alteon Web Systems which was later acquired by Nortel, he was involved in creation of next generation Web Switches and security acceleration products. His long association with Hewlet Packard in various capacities adds further muscle to his leadership capabilities. With Never say Die Attitude, he is clear that tomorrow belongs to those people who prepare for it today. In September 2007 he was appointed President and COO of IXIA and in March 2008 he has been named as the CEO.

Proud to be a BITSian Atul Bhatnagar was student during 1973 - 1978 and obtained his B.E. (Hons) Electrical & Electronics Engineering degree from Birla Institute of Technology and Science "BITS", Pilani which has been one of the top ranking universities in India yesterday as well as India today. In an exclusive message to BITS Alumni Association (BITSAA) soon after becoming the IXIA CEO, Atul expressed his heartfelt thanks to the Professors at Pilani and was emphatic in stating that the education and inspiration from his Pilani student days experience has been the foundation of his career.

Atul Bhatnagar's alma mater BITS Pilani is indeed proud of his achievements.

- END -
