

MAHATech a pure Industrial Exhibition starting in Pune from 10th to 13th April 2008

A Mega Opportunity for the Entrepreneurs of Maharashtra

Pune, Maharashtra, IND, 2008-03-29 11:35:03 (IndiaPRwire.com)

MAHATech industrial exhibition, organized between 10-13th April 2008 at Engineering College Ground Pune, inauguration will take place at 11.00 on 10th April at the hands of Shree Ajitdada Pawar (Water Resources Minister Govt.Maharashtra), is a right platform for the entrepreneurs who want to showcase their talent, up-grade and enhance their capacities and modernize their business. This is the 4th consecutive year of MAHATech and with the overwhelming response of manufacturers & dealers this exhibition is now opening up many more avenues on very big scale. First two MAHATech Events took place at Pune in the month of Jan.2004 & 2005. The 3rd MAHATech was held in Mumbai in Dec 2006 . This year's exhibition timing is 10 am to 7 pm for all 4 days.

More than 300 participants and 30000- 40000 industrialists are participating in MAHATech from all over India and some from abroad as well. The specialty of this exhibition with complete industrial focus is that there is not a single consumer stall. The Exhibition is having representation from all sectors of industries companies from large scale to small scale & international brands too. The Exhibition is divided in 4 different hangers consisting of Process Industry Equipments, Electrical & Electronics, Engineering & Machine Tools and Technical Services & Consultants. etc. This exhibition is fully air conditioned and been organized on the area of 60000 sq .ft space

Mahatech is having repeated percentage of companies around 80% . Mahatech is planning to organize same exhibition in Pune next Feb. 2009 & In future there will be 2-3 Industrial Exhibitions in same calendar year in different cities like Aurangabad, Nashik, Ahmedabad & Baroda.

Maharashtra Industries Directory are the main sponsors of 'Mahatech' And Thane Janata Sahakari Bank Ltd, Shalin Industries , Akashganga Construction Machines Pvt. Ltd are the co-sponsors for this event and Maharashtra Govts 'Ministry Of Industry' and 'ITPO' have been a great help for Mahatech. The event is a place where buyers & sellers can meet face to face, share insights and experiences which results into fruitful business and long term business relations.

The first edition of Maharashtra Industries Directory was [published.in](#) 1985 by Shri. Vinay Marathe. Till today 15 editions have been published and now 16th Edition is under preparation. The directory was initiated with the objective of fulfilling the industry need for some kind of a platform for interaction. At present the company has offices & representatives in all major cities of Maharashtra keeping in mind 21st Century's challenges. It has launched its own website www.maharashtradirictory.com about 10 years ago. Initially 10 to 20 thousand visitors visited this site & now the number has reached more than 1.5 crores every month. The company has created and hosted more than 5000 Websites on its dedicated servers. The company services include Web Designing, Web Promotion, Multimedia presentation, custom based software & Internet solutions. Also, the 5th Edition of Gujrat Industrial Directory is under publication, www.gidonline.com is also a popular Industrial Portal.

Shri Vinay Marathe proudly but humbly said, "MAHATech will transform the way people look at business. Considering the mega scale on which it is happening, a lot of people will get a chance to

prove their capacities. The exhibition will offer them innovative business opportunities and progress oriented pathways. And it will definitely lead to better, smarter and faster business. Entrepreneurs should avail this mahaopportunity".
