

South Indian Bank Selects D.S.P.Mr.P.Vijayan and District Collector Dr.M.Beena As "Model Official Couple"

Both Mr.P.Vijayan IPS, District Supdt. of Police, Malappuram District , and his spouse Dr.M.Beena IAS, Dist.Collector, Thrissur District(now transferred to Ernakulam as District Colector),have been chosen as "Model Official Couple" in view of the exemplary services rendered by them to the society in general and also for being the role models of the youth segment .

Trichur, Kerala, IND, 2008-04-10 16:44:21 (IndiaPRwire.com)

The Selection Committee in particular, noted with elation that the voluntary service organization 'NANMA',founded by Mr. P.Vijayan to 'Touch Hearts', has been extending yeoman assistance quietly to society beyond what his official duties warranted. In particular, it was also observed that Mr.Vijayan who, heading recently the special investigation team which had nabbed the culprits in the sensational 'Chelembra Bank Robbery 'case-one of the greatest bank robberies reported in India- in which Rs 7.5 crore worth of gold and Rs 25 lakh cash were robbed ,had made the Kerala Police proud.

Dr.Beena as the Head of Thrissur District Administration has brought in a new and benign work culture and ethos in discharging of duties. Besides that, she has also involved herself in employment - enabling services.

In view of the above, the Selection Committee has chosen both of them as 'Model Official Couple', who have had an extraordinary impact on the society .

Both Mr.Vijayan and Dr.M.Beena will be honoured at a function to be held on 23rd April ,2008 at Thrissur.

Technology As The Key Driver of Business

Technology is emerging as a key driver of business in the banking and financial services industry. 'Core Banking' or 'Centralized Banking' which provides connectivity between branches and also helps to offer a large number of value - added products, benefiting a large number of customers has been implemented.

The Bank's ambitious technology up-gradation project named 'SIBERTECH' by introducing a Centralized Core Banking Solution 'Finacle' in technology partnership with the Infosys Technologies Limited is complete and all the branches/offices all over the country have been linked to the Centralized Data Centre at Kochi and hence 100 % of the Bank's business is now absolutely on-line .

.Mr.M.Damodaran , Chairman , Securities Exchange Board Of India (SEBI) inaugurated migration of

the 400th Branch to Core Banking Solution (CBS).

The 460th branch of the Bank was opened by Mr Vinod Rai , Secretary , Financial Sector , Ministry of Finance , Govt. of India . With the opening of the 475th branch at Ranchi ,SIB has presence in 23 states / UTs .

Mr.N.R.Narayana Murthy , Chairman & Chief Mentor , Infosys Technologies Ltd announced the **total implementation of Core Banking Solution** on 24-03-07 in Bangalore This was an important milestone as **the peer banks have only just begun the initiative** . South Indian Bank(SIB) has now established the largest network , in the private sector ,of Core Banking branches next only to ICICI Bank , HDFC Bank and AXIS Bank.

With the up-gradation of technology , SIB now offers a host of hi-tech products which enables the customers bank from anywhere , saving them time , money and hassles . This means that they can avail of a range of solutions and make convenience banking a way of life . For this the Bank has launched various value-added products and services like Global Debit-cum-ATM card, Internet Banking, Mobile Banking etc.

SIB's Global ATM - cum - Debit Card can be used at over 0.80 million ATMs and 12 million merchant establishments all over the world.The Global ATM - cum - Debit Card of SIB, which recently became the first Kerala based bank to have directly joined the National Financial Switch (NFS) of the Institute for the Development of Research in Banking Technology (the technical arm of the Reserve Bank of India) can also be used at over 20,000 ATMs all over India . 225 On-line ATM Centres have also been set up all over the country.

SIB IS Now A Financial Supermarket

While the bank gives risk adjusted rate of interest for its deposit products, Mutual Fund products marketed by the Bank offer higher returns proportionate to the risk appetite of the clients. The bank also has made available life insurance products to the clients to offer protection to their family and general insurance products to provide pecuniary compensation in case of loss of property .

Recent Developments

The South Indian Bank has become the first private sector bank from India to provide management support to an exchange house in the Middle East when recently South Indian Bank Chairman Dr.V.A.Joseph and Hadi Express Exchange Chairman Mr.Mohammad Sharif Mohammad Al Hadi signed the agreement in Dubai.This enables SIB to provide top quality service, to NRIs looking at remittances to India , in a technology -driven environment .

The Bank very recently could bag a **special award for excellence in banking technology** from IDRBT which is the technical arm of the Reserve Bank of India .This award was presented to the Bank as a national level recognition to the excellent contribution made in the area of information systems, security policies and practices .The bank has bagged this award by tightly competing with all categories of banks in India such as Foreign Banks, Private sector banks, public sector banks and co-operative banks .

The Bank, as part of the global brand building exercise, has signed mega star Padmashree Bharat

Mammootty as its Global Brand Ambassador. His tech savvy image goes hand-in-hand with our bank which has always been in the forefront of embracing technology. South Indian Bank has also unveiled a new corporate logo that the bank says demonstrates the major transformation the bank has undergone since its inception, when the logo now being replaced was designed. Padmashree Mammootty, the three-time Bharath award winning megastar who is also the global Brand Ambassador of the Bank, unveiled the new corporate brand logo.

As on date the Bank has established a network of 500 CBS branches and 27 CBS extension counters and also 225 online ATM Centres.

South Indian Bank in association with HSBC Asset Management Company has now introduced a facility, which is the first in the country in which the rural investors (not having access to clearing facility and hence denied free banking facilities for investing) do not have to lose through DD commission/collection charges for investing in HSBC Mutual Fund Products.

The Bank has launched a NetBanking initiative to provide real-time fund transaction for the online banking customers through 'southindianbank.com', the online banking channel of the bank. This will make possible for the retail and also corporate customers of the Bank for online debits/credits from/to authorized accounts. This enriched Netbanking product has the potential for utility payments and payment gateway (shopping mall) facilities. This customer-value proposition contains functionalities to support consumer (Retail) e-banking and also corporate e-banking.

BUSINESS STRATEGY

The Bank is committed to become a technology-driven, customer-oriented bank (the new corporate slogan being 'Experience Next Generation Banking') where passion for excellence is a way of life, innovation is a tradition, commitment to values unshaken and customer loyalty is abiding.

The long-term corporate objective is to emerge as the most preferred Bank in India, with core competence in fostering relationship banking, garnering core deposit with accent on cost, creating high yielding quality assets through focused marketing, qualitative appraisal and effective monitoring. We are dedicated to provide quality service to our customers and maintain high standards in corporate responsibility.

SIB-A Customer Oriented Bank

Despite acquiring the latest technological capabilities available to the banking industry in the country, the Bank will continue the emphasis on personalized customer service, which has been the Bank's core strength for all these 79 years. Incidentally, the Bank had also been selected, in the Outlook Money - C- Fore Survey, as the best private sector Bank in India in the 'Service Quality' segment. What Mr. Narayana Murthy Told About Us :

Announcing the total implementation of CBS in SIB, Mr. Narayana Murthy, Chairman & Chief Mentor of Infosys Technologies who recently has been elected as the Chairman of the Asian Business Council said: 'Completing one's job in time and also with efficiency is a sign of excellence. This is where I've got tremendous respect for South Indian Bank'. In this context Mr. Murthy referred to the dismal performance of the India Cricket team (in March 2007) who had commenced their celebrations even before the play, and said, 'South Indian Bank, on the other hand, had waited for

one month to confirm the efficacy of the new system and then only celebrated even though they had completed implementation of CBS in the month of February itself .In India we usually celebrate even before performing one's duties .So my earnest wish is -'**Let there be thousands to emulate SIB's example**'.
