

DC Designs car show goes live at Infibeam.com

India's revered automobile design guru and designer par excellence - Dilip Chhabria (DC Design) and some of his latest creations have been featured online for sale exclusively on India's leading website infibeam.com

Ahmedabad, Gujarat, IND, 2008-04-16 10:42:50 (IndiaPRwire.com)

Showcasing remodeled or modified cars designed by Dilip Chhabria like **Toyota Innova** (SUV) and special purpose vehicles like the newly launched **Tata Winger Executive Van** or **Lextran Tempo Traveller**, DC as he is fondly called, displays his penchant for 'designing excellence.' The unique selection can be viewed on **Infibeam.com**.

Says Vishal Mehta, Founder - CEO, Infibeam.com, 'Car makeover, Designer cars or Remodeled cars serves a niche category. We are very pleased to offer the excellent creations of **Dilip Chhabria** for sale on our online platform.'

Infibeam.com has already made its mark as a leading online platform for buying, selling or renting a range products and services like automobiles, mobile phones, cars on rent. Infibeam.com offers unique online shopping with true to life visuals of the interiors and exteriors of DC remodeled Tata Winger Executive Van, Lextran Tempo Traveller and Toyota Innova.

Car makeover or customization is not only sought after by the young and hip but by companies who wish to offer travel comforts and style that is all on offer. And who else but Dilip Chhabria's firm teaming up with Infibeam.com is all set to cater to niche audiences who will find cool ambience on hot wheels.

- END -
