ABOUT THE FILM

In 'The Chronicles of Narnia: Prince Caspian,' the four Pevensie children - Peter (William Moseley), Susan (Anna Popplewell), Edward (Skandar Keynes), and Lucy (Georgie Henley) - are summoned back to the magical land of talking animals and mythical creatures, where they discover that more than a thousand Narnian years have passed since their last adventure and much has changed. The White Witch may be dead, but Narnia is under the sway of a tyrannical new ruler, King Miraz (Sergio Castellitto), and the Pevensies must unite with the young Prince Caspian (played by British actor Ben Barnes) in an attempt to restore peace and harmony to the once happy land.

With the help of the kindly dwarf, a courageous talking mouse named Reepicheep, a badger named Trufflehunter and a Black Dwarf, Nikabrik, the Narnians, led by the mighty knights Peter and Caspian, embark on a remarkable journey to find Aslan, rescue Narnia from Miraz's tyrannical hold, and restore magic and glory to the land.
