Family-owned & Family-managed businesses are the major contributors to the Indian Growth story.

NMIMS UNIVERSITY, is launching its 10th batch of F-MBA Program. This unique two-semester week-end Management Diploma Programme has been specially designed for members of enlightened Business Families who are deeply involved in their family businesses but who still wish to equip themselves better to face the new challenges and seize the new opportunities in the highly dynamic new global business environment.

This Management Programme for Owner-Managers, delivers utmost value to the participants through Core Management Courses as well as a number of important inputs by specialists in different fields. A flexible approach to course contents makes this unique programme broad-based as well as practice-oriented.

The Week-end structure (Saturdays-full day and Sundays-half day) allows participants to remain involved in their family businesses while doing this management programme.

Interaction with faculty and guest speakers with experience of working in the corporate sector, faculty handouts, project presentations, interaction with other participants, great library resources, a state-of-the-art computer lab and AC classrooms - all add up to a great learning experience.

Graduates / non-graduates with actual involvement in family business, (any age) with good communication ability and a very keen desire to learn new skills, can apply.
