

TNT Mango Bytes-the royal gift of taste!

This summer gift the king of fruits to your business associates & loved ones

New Delhi, Delhi, IND, 2008-05-07 13:15:47 (IndiaPRwire.com)

TNT, the world's leading express company, once again presents **TNT Mango Bytes** - the ideal solution to gift fresh and delicious Alphonso mangoes to your business associates and loved ones both in India and abroad.

This service is now available across **30 countries worldwide and over 39 locations in India** at a very affordable price. Each mango is carefully handpicked and checked for blemishes. And only the best Alphonso mangoes go into the gift pack. The fruits are scientifically packed with air ventilators to ensure that the mangoes reach the destination in a fresh and ready-to-eat condition. TNT Mango Bytes is a single window solution that saves customers from the hassles of choosing the best mangoes, packing and shipping them to the end destination.

'At TNT we have always tried to move beyond the standard operating services in the express industry and provide a high level of customised and cost-effective solution to our customers.

Our in-house studies showed that people are constantly looking for an end-to-end solution that includes the right gift, a tamper-proof packaging as well as a reliable express service. We at TNT India have leveraged this opportunity to offer Mango Bytes, by combining our expertise in global express distribution and a little innovation in gifting, said Mr Sanjiv Kathuria, Country Director Sales & Marketing.

For further information and to place TNT Mango Bytes order, customers can call TNT toll free on **1800 425 9999 from MTNL/BSNL network landlines. Alternatively you can call TNT on 6000 9999 from your mobile phones and private networks or email to in.marketing@tnt.com**. To customize and add special touch, TNT encloses a hand-written, personalised message from the sender on a specially designed complimentary card.

TNT in India

TNT India Pvt Ltd is a fully owned subsidiary of TNT N.V. In India, TNT was established in the year 1994, making it the first and the only multinational express company to set up operations on its own. TNT India specialized in providing international door-to-door express delivery solutions. In February 2006, it forayed into the domestic express segment and in September 2006, acquired Speedage **Express Cargo Services, one of the leading road express companies in India**. TNT's expansion plan in India is in line with the global strategy of focusing on building quality networks in emerging markets.

- END - *About TNT*

TNT provides businesses and consumers worldwide with an extensive range of services for their mail and express delivery needs.
