

OrderMonger ties up with The Deli @ Novotel Hyderabad

Now, delicious pastries and cakes are just a click away

Hyderabad, Andhrapradesh, IND, 2008-05-13 13:27:41 (IndiaPRwire.com)

OrderMonger.com, the leading online services company to offer food in Hyderabad, has announced that it has entered into a tie up with The Deli @ Novotel Hyderabad to serve food where customers can order online and via the phone. With this, the amazing array of delicious items on The Deli menu are just a click away for customers.

The Deli at the Novotel Hyderabad is famed for its delicious pastries, cakes and other baked goodies. In addition to the regular bakery stuff, The Deli also carries an exotic array of lunch and dinner boxes. There are six different varieties, which come in vegetarian and non-vegetarian flavors. While each of the six varieties promises an exciting meal, their Continental lunch/dinner box has won special acclaim from many a patron and is a must-try.

In a statement Mr. Krishna Natarajan, CEO, OrderMonger said, 'Our tie up with Novotel Hyderabad is yet another step in our journey of offering variety and convenience to our customers, and adds yet another valuable partner to our existing network. The Deli is extremely popular for its goodies, and this partnership will benefit a lot of customers spread all over Hyderabad. I hope our customers will be happy to see The Deli @ Novotel Hyderabad on the OrderMonger.com list of partner restaurants'.

- END -
