

Autonagar.com Relaunches Website with Better User Interface and Design

Autonagar.com a prominent automobile portal in India which within 13 months of its launch has become a well known automobile marketplace to Buy and sell used cars, bikes and trucks, announced the re-launch of its website with better user interface and design.

Mumbai, Maharashtra, IND, 2008-05-19 11:49:42 (IndiaPRwire.com)

Autonagar.com a prominent automobile portal in India which within 13 months of its launch has become a well known automobile marketplace to Buy and sell used cars, bikes and trucks, announced the re-launch of its website with better user interface and design.

To provide cost effective online advertising, www.autonagar.com is launching additional services for used vehicle dealers to open their online showrooms at autonagar.com in the form of micro sites.

Based on valuable feedback and suggestions from members, users and visitors, Autonagar has developed a new website which provides better user interface and easy browsing.

Now users can reach any specific page of www.autonagar.com with just 4 clicks. With the help of the Quick Search box on the home page, a user can find any used car, bike or truck in just one click by searching keywords like make, model and city.

On the occasion Mr. Suresh Sharma, Founder & CEO of www.autonagar.com said 'Since our launch we have learnt a lot from the industry and improved ourselves, the same reflects in the new user interface and design of autonagar.com. We have also launched packages for used vehicle dealers to open their online showrooms to display their inventory online.'

- END -

Autonagar.com is the online marketplace for buying and selling vehicles in India. With dozens of listings, our website makes it easy for you to find the perfect new or used car, bike and other vehicles. You can make educated buying decisions with several of our features. Compare vehicles and read a wide selection of news and reviews. Read our Advice section to maximize your car buying experience. Visit our Forum to read what other buyers are saying about your favorite vehicle. Autonagar.com even does some of the work for you. Our Vehicle Alert feature emails you when your dream car is listed, saving you additional time and effort.

Autonagar.com offers sellers of new and used vehicles an advantage as well. You can feel confident with an Autonagar.com listing. Your vehicle will be posted nationally and will be seen by thousands of motivated buyers. Your listing will also get more space than the traditional newspaper advertisement, giving you a better opportunity to promote your vehicle…and a better chance of being seen!

Autonagar.com. We have your car.
