Mumbai, Maharashtra, IND, 2008-05-27 16:20:44 (IndiaPRwire.com)

EuroKids International and Kindermusik International have joined hands to bring in an international quality program to Indian children. This association is passionately committed to bringing music to children's lives through developmentally appropriate curricula, CDs, books, instruments, and activities for our classes and for family time at home.

About Kindermusik International : Kindermusik is the world's leading publisher of music and movement curricula for parents and their children,

ages newborn to 7 years old. Kindermusik International has more than 25 years of experience creating curricula based on new and proven research in child development. The award-winning books, CDs, games,

and instruments nurture skills in the whole child: cognitive, physical, social, emotional, and language.

Kindermusik's philosophy is founded upon rigorous research and its fundamental beliefs are as given under:

Every parent is the child's most important teacher. Every child is musical. The home is the most important learning environment. Music nurtures a child's cognitive, emotional, social, language, and physical development. Every child should experience the joy, fun, and learning which music brings to life.
