Hyderabad, Andhra Pradesh, IND, 2008-06-05 15:13:44 (IndiaPRwire.com)

On the occasion of WED(World Environment Day), Nuclear Fuel Complex, an ISO 9001, ISO 14001 and OHSAS 18001 organization conducted a work shop on 'Environmental care at NFC' . Shri R N Jayaraj, Chief Executive, NFC in his address brought out various steps that are being taken since inception towards clean and green environment in NFC

Shri B Joga Rao Vice President, ITC was the Chief Guest. While speaking on this occasion, he brought out how wealth can be generated from the waste. He has outlined the concept Triple Bottom Line and 3R concept followed by ITC .

Shri GVS Hemantha Rao, Dy. Chief Executive, & MR for ISO Systems , NFC while welcoming the gathering, dealt on various clauses of Indian Constitution on Environment and other environmental laws pertaining to environment protection. Six technical talks were delivered by various groups of NFC on Environmental Aspects.

WED is commemorated every year on 5th June. It is one of the principal vehicles through which the United Nations stimulates worldwide awareness of the environment and enhances political attention and action. World Environment Day was established by the United Nations General Assembly in 1972 to mark the opening of the Stockholm Conference on the Human Environment.

- **END** -Nuclear Fuel Complex caters to the fuel and Zirconium requirements of the Nuclear Power Program in India
