

## **Deloitte Names Harbinger in Fastest Growing Technology Companies**

*Harbinger's 'Double Deloitte': Technology Fast 500 Asia Pacific, Technology Fast 50 India*

Pune, Maharashtra, December 1, 2008 /[India PRwire](#)/ -- Harbinger Knowledge Products, the Pune-based innovator of award-winning products and services, has been selected among the fastest growing technology companies by the Deloitte Technology Fast 500 Asia Pacific 2008 program. Harbinger has been invited to receive the honor at an awards ceremony organized in Hong Kong on December 11, 2008.

Deloitte Technology Fast 500 Asia Pacific 2008 is a ranking of the 500 fastest growing technology companies in the Asia Pacific region. The rankings are based on percentage revenue growth over three years. The program is conducted by Deloitte Touché Tohmatsu, Asia Pacific.

Harbinger has also won a place in the Deloitte Technology Fast 50 India 2008 list, which recognizes the 50 fastest-growing technology companies in India – both public and private. The list comprises companies in several areas of technology including Internet, biotechnology, medicine, sciences, computers, hardware and so forth.

“We are glad to see our technology innovations turn into revenue growth that has won Deloitte recognition”, said Vikas Joshi, Chairman and Managing Director of Harbinger Group.

Harbinger's patent-pending technology and sound thought leadership have resulted in several groundbreaking products that are creating lasting value for loyal users in over 40 countries. Raptivity, Harbinger's flagship software, is the market leader in rapid interactivity building tools. TeemingPod, Harbinger's cutting-edge platform for web developers, helps add social interaction to any web page quickly and easily. YawnBuster, Harbinger's brand new offering, adds group activity to PowerPoint presentations, enlivening them.

“Harbinger's award-winning growth follows from such products and services, because there is a growing demand for technology that helps create interactive experiences affordably and easily”, added Mr. Joshi.
