

## "Know your IIT JEE Rank" on 100Percentile.com

*A New Feature that Estimates a Student's IIT-JEE Rank and Benchmarks Preparation Levels*

Gurgoan, Haryana, February 25, 2008 /[India PRwire](#)/ -- **Hundred Percentile Education Private Limited, the leading provider of educational technology solutions today announced the launch of its new offering "Know your IIT-JEE Rank"** through its highly acclaimed and successful IIT-JEE preparation portal [www.100percentile.com](http://www.100percentile.com). This new feature, appropriately timed when there are few weeks to go for the IIT-JEE 2008 actually provides students a near real-life simulation wherein they can appear for previous years IIT-JEE papers online and benchmark their preparation level against previous years' cut off scores.

The "Know your IIT-JEE Rank" offering not only allows students to benchmark themselves against the previous year qualifying scores, but also provides them with comparative rankings vis-à-vis other IIT-JEE 2008 aspirants and a complete analysis of their performance, preparation levels, strengths and weaknesses. 100percentile.com offers high-quality educational content especially for the IIT-JEE aspirants in partnership with Vidyamandir classes, leaders in IIT-JEE coaching.

"At 100percentile our endeavor is always to provide innovative solutions to students which would help and assist them in perfecting their preparation for the IIT-JEE" said Sandeep Anand, President, Hundred Percentile Education. "Know your rank feature is designed carefully to provide the students an experience close to what they have to go through shortly when appearing for the JEE. The students appearing for this curriculum would not only get the JEE flavor but also get to know with reasonable level of accuracy their level of preparation and how much more distance they need to cover in these crucial few weeks before the D-day"

He further added "Besides this latest feature, 100percentile.com has continuously been innovating and evolving and currently offers many value added and comprehensive solutions to students aspiring for IIT-JEE. Through our offerings and a panel of experts which comprises of leading educators and IITians students can get their problems answered, concerns addressed, concepts strengthened and skills sharpened."

100percentile.com is designed to provide high-quality educational content through an innovative, user-friendly software platform. Using a combination of advanced assessment curriculums and individualized guidance from a panel of experts, it provides students with actionable feedback to accelerate learning. In keeping with the company's tagline, "Practice Towards Perfection," 100Percentile.com combines a state-of-the-art online assessment system with powerful performance analysis tools that give students precise feedback on where they stand relative to their peers..

### Notes to Editor
