

Andhra Pradesh Government selects KNOLSKAPE as knowledge partner for Fintech education

KNOLSKAPE to create an academy for building fintech capabilities in the state.

Mumbai, Maharashtra, January 11, 2017 /[India PRwire](#)/ -- [KNOLSKAPE](#), the world's leading modern workplace experiential learning company, is proud to announce its selection as a knowledge partners for the AP government's new fintech initiative. KNOLSKAPE will be partnering with leading universities in the state, along with banks and companies in the fintech space, to develop a fintech curriculum.

KNOLSKAPE's selection as the knowledge partner is a key aspect of the AP government's initiative to develop Vizag into a 'Fintech Valley'. KNOLSKAPE is uniquely placed as it brings to the table deep expertise in learning designed for the modern learner's needs. Over 200 companies in 17 countries rely on KNOLSKAPE to transform employee learning and prepare their organizations for the digital age.

Chief Minister N. Chandrababu Naidu inaugurated a technology-based financial services and academic center - Fintech Towers, Vizag. A new fintech university International Institute of Digital Technology, on the lines of ISB, Hyderabad, will also be set up in Tirupati. The fintech university will train engineering and management graduates on use of digital and financial technology, apart from providing a start-up platform for young innovators.

"I see a bright future in banking BFSI and FinTech for those pursuing management and engineering degrees. Skills development is a fundamental foundation block to enable this. Sensing there will be a paradigm shift in the jobs of the future, being digital will be a prerequisite. As a global top 20 gamification company, we will utilize our deep expertise to promote digital readiness and expertise to promote Andhra Pradesh as a leading light for the digital and fintech readiness", says Rajiv Jayaraman, CEO & Founder of KNOLSKAPE.
