According to Meeta, "**Anupam Kher is one of those rare people who, I think, really celebrates individuality—his own and that of others. That's obvious when he requests that you bring to the table 200 % of your creativity and experience in the field. And that you actively contribute to the larger vision he has for Actor Prepares. This obviously makes it a great place for budding actors to be in—where they know they're going to unfold as unique, powerful personalities and not as assembly line actors. For us on the teaching side it becomes a challenge to be able to give one's best, and I've always loved both things— a challenge and to be able to give one's best.**"

Meeta Vasishth has done many films namely Taal, Ghulam, Phir Milenge, Maya, Kuch Khati Kuch Meethi etc. Also she has been a part of many T.V Serials including Kahani Ghar Ghar Ki & Swabhimaan. "**Meeta is a fine actress who has straddled many media; theatre, television and cinema. She is also an accomplished writer and teacher having conducted workshops on acting and direction in UK and elsewhere.
