### Notes to Editor

#### About Desitara.com:

Desitara.com is the first and the largest Online Talent Portal; owned by Connect Films Media, a part of S.Lad Group. Created from a vision to uncover the boundless Desi talent pool Desitara.com aims to be the place for talent convergence; an ideal platform where talent owners and talent viewers come together to create, share and reward talent.

Targeting one of the fastest growing internet markets with over 60 million internet surfers, as well as aimed at covering and converging with the over 40 million Indian and South Asian diaspora spread across the world, Desitara.com integrates the Desi talent globally. Today, Indian talent is recognized globally and the DESI word is used to represent Indian-ness or very Indian or incorporating the die-hard Indian spirit for fun frolic and entertainment. The website delves into the 'reality' and capture's the viewer's attention. Desitara.com provides a platform to showcase one's talent across the world.
