Hyderabad, Andhra Pradesh, June 23, 2009 /[India PRwire](#)/ -- The objective of this training programme is to

- Provide functional exposure to replicate models to meet location-specific, season, specific and social contextual needs.
- Promote participative cum - partnership collaborative between frontline/forward demonstrative teams, other official and NGO institution like ISNI Trust and NIRD.
- Facilitate transfer of technologies to users and help improve the operational skill to produce high quality products.
- Link users and institutions (PRIs, NGOs, CBOs) with technology developers/suppliers.
- Compile data bank on proven cost-effective technologies and its dissemination.

The training team consists of the Project Director, Rural Technology partners and Young Professional . The venue of the training programme is Rural Technology Park (RTP) NIRD.

The RTP proposes to Organise 24 Programmes during 2009-10. The training provides first hand information about all the programmes being organised by RTP during 2009-10.

There is many training programmes has been conducted in this year from April 2009 till March 2010. In the month wise schedule International Special Needs Institution Trust got the opportunity to join hands with RTP for conducting training programmes for Fashion Jewellery from 11-05-2009 to 25-05-2009, that is 15 days training programme.

In this training program ISNI Trust has teach skill training on jewellery preparation using different types of beads, bonesm stones and wooden etc.

Notes to Editor

ISNI (International Special Needs Institution), which works for the vocational training and employment of the Dis-Abled women.

Women with disabilities are the last priority in many countries, and are condemned to live their lives as a discriminated lot, whose lives are perceived as having no potential to improve. We at ISNI facilitate programs to improve conditions of such disabled and mistreated women so that they can become productive members of this global society. ISNI has collaborated with Alpha foundation of ICFAI group, Sri Krishna Teja Foundation, Mother Theresa Foundation, Rahman Vocational Training Center and other Government and Non-Government institutions to reach out to many marginalized beneficiaries.

ISNI women manufactures extremely good quality eco friendly products made with Handmade paper, Apparels with Khadi and Jute along with Fashion Jewellery.
