

ITC Infotech expands global footprint with opening of Johannesburg office

Fully owned subsidiary of ITC Ltd., has expanded its geographical footprint with the opening of its office in Johannesburg, South Africa.

Bangalore, Karnataka, October 6, 2009 /[India PRwire](http://www.indiaprwire.com)/ -- ITC Infotech, a global IT services company and a fully owned subsidiary of ITC Ltd., has expanded its geographical footprint with the opening of its office in Johannesburg, South Africa.

Mr. V Sreenivasan, President, European Operations, ITC Infotech, said, "We are happy to extend our services to South Africa. We look forward to providing competitive advantage to South African companies by optimizing their IT landscape and maximizing returns from IT investments."

The company focuses on enhanced value delivery by creating deep & differentiated capabilities. With special focus on customer centricity, ITC Infotech invests in nurturing long-term partnerships. This commitment is also manifest in the company's extended enterprise engagement model.

Mr. Sreenivasan further added, "Our new office will provide us with a strategic advantage to leverage emerging opportunities, while continuing to serve our existing customer base. We are witnessing significant traction in the region and will expand our presence progressively. We will also explore strategic partnerships in the region, as we have been doing in Europe."

In the last six months, ITC Infotech has strengthened its presence across the Nordic region with offices in Sweden and Netherlands, apart from its other offices across the globe.

Notes to Editor
