

Airtel special festive offers for US to India calling

To celebrate the festive season, Airtel CallHome is launching two new exciting plans for US to India calling.

Haryana, Gurgaon, September 29, 2009 /[India PRwire](#)/ -- To celebrate the festive season, Airtel CallHome is launching two new exciting plans for US to India calling. The 'Airtel Celebration Offer' gives an amazing 1353 mins for just \$24.99. More importantly, it comes with a validity of 6 months so a user can buy the plan during this festive season and can use it at leisure till Holi!

Another exciting offer from Airtel CallHome is the Toll Free Plan which provides great value to customers. The Toll Free Plan is a limited period offer. This offer too coincides with the onset of the festive season in India and the US. The main highlight of this plan is that the call rate to any phone on Toll Free is 2.50 cents/min and consumers get 400 minutes in \$14.99. The Toll Free Plan from Airtel CallHome will have a validity of 30 days.

Airtel Call home has a host of exciting new features for the US consumers including auto recharge, free SMS from the web and audio conferencing facilities. Subscribers will be able to buy the online calling card for just USD 10 by logging into the website www.airtelcallhome.com. For more details they can also call toll free 1-877-247-5150 from the US.

Notes to Editor

Airtel CallHome is the calling card service from Bharti Airtel Limited. Airtel CallHome helps you connect to your friends outside your country and to your loved ones in India. Now you don't need to foot those hefty bills for international calls. We offer you hassle free, cost effective and reliable service. We are committed to transparency and quality as a result of which we offer you exceptional call clarity and hence a great way to connect to your friends and family.
