

Expedia brings the best of international travel deals to India

Global online travel and ticketing company Expedia has launched its India portal. The portal will allow travellers in the country to choose from a exciting range of holiday options and do online travel and hotel bookings from the comfort of their homes.

New Delhi, Delhi, April 14, 2008 /[India PRwire](#)/ -- Expedia, the world's leading travel and ticketing portal, has launched its Indian arm, [Expedia.co.in](#), to cater to travellers in the country. The Indian travel industry is booming and more and more Indian travellers are using the Web to plan and book holidays.

Online travel and hotel booking

Expedia India will offer a huge range of online hotel booking choices for Indian customers – more than 80,000 hotels for every budget and preference. The savvy Indian globe-trotter will be able to book accommodation across the globe. The portal will also offer a variety of online travel booking options, including flights, holiday packages, car rentals, cruises, etc, for Indian customers.

International travel deals

Expedia India will give users access to over 3,000 holiday options, besides special deals and offers. The best of international travel deals will also be a click away for Indians who have been bitten by wanderlust.

Indian travellers will also benefit from a variety of innovative tools like 360-degree virtual tours of rooms and facilities in popular hotels worldwide and have access to over 280,000 independent traveller reviews. To enhance customer experience, the portal will also have a friendly and expert local customer support team to talk to.

All products on Expedia India are for sale in Indian rupees. Prices are quoted upfront and include all taxes and supplier surcharges so customers are easily able to understand the total cost of their travel, without any hidden charges.

So the next time you want to travel, book your holiday with Expedia India.
